**Attachments:** Subpart W Draft-EIA-BID - OMB Update (2) -sfm -clean.docx

Reid,

Here is the clean version.

Please let me know that you got both, so there's not a repeat of last week.

Steve

**Subject:** BID Comments

Hi Steve,

I've reviewed the BID and I have just a few comments, included in the document. I accepted as many comments changes as possible, but some I didn't want to mess with, like the TOC changes. After these changes I think we're good to go. Thanks.

Reid
